

I am writing to ask you to please keep national radio stations on the air! I listen to KLOVE which is out of California all the way over here in North Carolina (WKLV 106.7). This is a positive and uplifting station that plays Christian music and my husband and I LOVE IT! When my husband first discovered it, and we began listening to it all the time, he became more laid back and less stressed and tense. We listen to it all the time in our vehicles and it cuts down on road rage tremendously! I just don't know where we would be if it wasn't for this radio station. It is a life line in our whole community--I see bumper stickers for it all the time and I know a lot of us DEPEND on this to get us through each and every day! So, please do not let radio stations like KLOVE have to stop broadcasting nationally! PLEASE! WE NEED THEM!!!!!!!!!!!!!! THANK YOU FOR YOUR TIME!!
